DCR number 1818	Changes required for: General	Originator: Steve Thacker	
Date: 2026/10/26	Date sent: 2026/06/10	Organisation: ESCC Executive Secretariat	
Status: IMPLEMENTED			

Title:	Generic Specification for Wires and Cables Electrical 600V Low Frequency		
Number:	3901	Issue:	5

Other documents affected:

Page:

24

Paragraph:

9.7

Original wording:

As per current issue 5

Proposed wording:

Reverse the order of sub-paras (a) & (b) in Para 9.7
i.e. to now be:
(a) A Sample ... etc

(b) The Whole Length ... etc

Justification:

This DCR is raised on behalf of Manufacturer Gore.

Gore advise that the order of (a) & (b) in Para 9.7 was reversed in issue 5 per DCR1718 which now results in significant changes to Gore's internal documentation; hence they would prefer the order to be back as it was in issue 4.
