Paragraph:

Para. 2.2 Page 7

Original wording:

Proposed wording:

Remove: Generic Specification No. xxxx. Optical Fibre Connector

Justification:

The Specification does not exist. Accordingly it cannot be applicable, cannot form part of and cannot be read in conjunction with the published 2263010.

Issued ESCC specifications may not reference non-existent documents.

It may be noted that for a new Detail Specification only a draft is required at the commencement of Evaluation Activities. An Issued Generic and Detail are required by step 8 of the Evaluation Activities per Chart 1 of ESCC 22600.
