Paragraph:

Original wording:

Proposed wording:

Justification:

Various ICs from 54HC & 4000B series are being discontinued by the Manufacturer ST in line with Product Change Notifications (PCN/RNS/HR/12001 & 12002) raised by ST on 07/12/2012.

ST have now confirmed that all previously specified types, with the exception of 2 (HCC4502B & HCC4508B), are to be discontinued with immediate effect (ref. email from ST/S.Peron dated 04/12/2013).

Accordingly the correspond ESCC Detail Specs (per this DCR) shall be retired and the part types removed from the ESCC-QPL.
