

## DOCUMENT CHANGE REQUEST

DCR number 835 Changes required for: General

Date: 2014/04/14

Date sent: 2014/01/16

Originator: Petra Pribanova

Organisation: AVX Czech Republic

Status: IMPLEMENTED

Title: CAPACITORS, LEADLESS SURFACE MOUNTED, TANTALUM, SOLID ELECTROLYTE, LOW

Number: 3012/004 Issue: 2

Other documents affected:

Page:

7

Paragraph:

Table 1(a) type variants and range of components

Original wording:

for variant number 03 is terminal material and finish G16

Proposed wording:

for variant number 03, C case size (2312) is terminal material and finish P17

Justification:

The original text (G16) is mistake. The material P17 has been qualified during the project Ref.No 4000101504/10/NL/PA. This mistake has occurred when specification was reviewed by AVX.
