

DOCUMENT CHANGE REQUEST

DCR number 1262 Changes required for: General

Date: 2019/06/13

Date sent: 2019/04/17

Originator: Celine Dumortier

Organisation: Radiall

Status: IMPLEMENTED

Title: Load, RF, Coaxial, Type TNC, DC-18GHz

Number: 3403/010

Issue:

4

Other documents affected:

Page:

Paragraph:

Original wording:

Proposed wording:

Justification:

This DCR is raised on behalf of the ESCC EPPL-listed manufacturer Radiall to modify the specification based on their re-design (improved performance) of the loads defined in this specification.

Re-allocation of numbers (i.e01-->02)--> see attached the new table.

Typing error on the example: 3403010001 (one zero too many)

Notes: The specification ESCC 3403 issue 6 will be applied for the new variant.
