Various, see below

Paragraph:

Various, see below

Original wording:

As per 3401/032 issue 11

Proposed wording:

The following additions are proposed by Manufacturer Glenair; see attachment 3401/032 Draft 12C for full details.  
Note: the attachment also details the changes proposed per related DCR1287.

Table 1(a) & Figure 2: add new Variants 59 to 68 ( Screwlock for Connectors GMR7580, GMR7590)

Justification:

This DCR is raised on behalf of Glenair.  
Changes are required to add new variants.

Note: This DCR should be considered together with DCR1287.

Attachments:

escc3401032iss12c\_in\_review\_per\_dcr.docx

Modifications:

Additional changes as follows shall apply as requested by Manufacturer Glenair and as discussed and agreed with other supporting Manufacturers, C&K, Axon, in order to be consistent across all 3 Manufacturers:

see attached "ESCC3401032Iss12D in review per DCR" for full change details (changes highlighted by text colour).

In New Figure 2 for Variants 64 to 68, the torque values for the male & female sides given in each figure, are corrected.

Approval signature:

A handwritten signature in black ink, appearing to read "Andrew R. ...", is written over a horizontal line.
