DOCUMENT CHANGE REQUEST

DCR number 1612	Changes required for: General	Originator: MEYER Julien
Date: 2024/01/12	Date sent: 2023/09/18	Organisation: Axon' Cable SAS
Status: IMPLEMENTED		

Title:	Extruded Crosslinked Fluoropolymer Insulated Wires and Cables on Silver Plated Copper		
Number:	3901/012	Issue:	4

Other documents affected:

Page:

8-10

Paragraph:

1.2

Original wording:

Table 1a : value for conductor characteristic : maximum diameter (mm) for variant 35 to 80.

Proposed wording:

Justification:

Mistake during the edition of the standard, values are shifted : for instance value associated to variant 35, 0.3mm correspond to a construction of 7x0.1 instead of 19x0.15.
