

# CNES / ESA Final Presentation Days

**28 and 29 March 2011**  
**ESTEC/ESA, (The Netherlands)**

## ESA R&D activities

- working to create a DD test guideline
- update ESCC22900 and ESCC25100
- work ECSS Q60-15 RHA guidelines
- involved in the Cosmic Vision activities
- work in the frame of ECI phase III.

Thank you for the high-quality presentations

Thank you for coming

The presentations will be in [escies.org](http://escies.org) in 1-2 weeks

If part of your presentation is “confidential”,  
let Bob know, and send him a “public” version

Hope to see you for the next CNES / ESA FPDs

28 – 29 March, Noordwijk, Netherlands
